

## **Academic Degree Program Proposal Form**

A.A. Policy 2.04: Academic Planning and Degree Program Proposals

U	verview					1	
	Institution Name:		Designation (flagship, statewide, regional, HBCU, 2-year):				
•	College/School/Division	n:	Academic Department:				
•	Degree Designation <sup>a</sup> :	Proposed Degree Name:		CIP Code:	Credit Hrs <sup>b</sup> :	Contact Hrs <sup>c</sup> :	
-	Planned Implementation Semester/Term & Year:		: Was this program listed in the most recent Three-year Academic Plan? [ ] Yes [ ] No				
1.	<sup>b</sup> If the program exceeds the evidence of management <sup>c</sup> If applicable.	ne standard 60 credits for assoc board approval according to sys ption and reason for the d	iate or 120 stem policy	credits for baccalau			
	,						
2.	Regents A.A. Policy 2.	accreditation requirement  13: Program Accreditation  on or certification for the p	<u>ı</u> ). If not	required, descrik	•		
			_				
3.	[ ] Substantive chang	ther accreditation organize requiring notification or e requiring approval prior	nly		k all that apply.		

	4.	Has the program been designed to align with any Board of Regents or other statewide initiatives? Check all that
		apply.
		[ ] MJ Foster Promise Program
		[ ] Cyber-security Initiatives
		[ ] Louisiana Transfer Pathways
		[ ] Other:
	5.	If this proposal is for a Master's or Doctoral program, provide a list below (name, institution, email address, brief summary of qualifications) for at least three external review candidates. Reviewers should be active or retired full time faculty member from an accredited institution; have experience developing and/or administering a program like the proposed program; and should not have direct affiliation with a Louisiana institution.
В.	The	e Master Plan and Institutional Role, Scope, and Mission
	6.	
	7.	How does the program align with your institution's strategic plan and academic program portfolio?
	,	Thew does the program angir with your institution's strategic plant and academic program portions.
	8.	How does the program align with the priorities outlined in the Board of Regents Master Plan for Higher Education? Provide brief descriptions for each. Additional details will be required later in the proposal.  • Accessibility (mode of delivery, alternate course scheduling)
		/ recessionity (mode of delivery, diterriate course senedding)
		Affordability (use of OER, transfer agreements, prior learning assessment, employer funded)
		Partnerships (with industry, community-based organizations, other institutions)
		<ul> <li>Work-based learning (paid or experiential internships, apprenticeships, etc.)</li> </ul>
		8
		Other program attributes that contribute to closing the achievement gap with underserved populations including low income, minority, and adult learner.
		including low income, minority, and adult learner.

## C. Need

9.	How does the program align with relevant local, regional, and/or state workforce strategies and future societal educational needs?
10.	Summarize faculty engagement with alumni, community representatives, employers, Regional Economic Development Organizations (REDO) or other external stakeholders, and explain how those conversations shaped the design and curriculum of this proposed degree.
11.	What is the program's service area (local, regional, state, national)? If outside of the institution's traditional service area, provide a rationale.
12.	Provide evidence of demand for the program in this service area (e.g. prospective student interest survey data, community needs, letters of support from community groups or employers).

13. What is the employment outlook for occupations related to the program?

You may find this information using the following information sources among others:

- a. EMSI's Program Overview Report (check with your Office of Academic Affairs for access)
- b. Louisiana Workforce Commission
- c. US Department of Labor Projections Managing Partnership
- d. The NCES CIP to SOC crosswalk.

If data for the program's service area is not available, then use state- or national-level data and indicate below.

19.	The National Association of Colleges and Employers (NACE) provides the <u>list of career ready competencies</u>
	included in the table below. How do the student learning outcomes for the proposed program align with these
	career competencies? You may also list your institution's alternate career-based competencies if applicable.

Career Ready Competencies (NACE)	Student Learning Outcomes
Critical Thinking/Problem Solving	
Oral/Written Communications	
Teamwork/ Collaboration	
Digital Technology	
Leadership	
Professionalism/ Work Ethic	
Career Management	
Equity and Global/Intercultural Fluency	
Other (list others)	

20. List the specific technical skills and KSAs identified in question 17 and show how they relate to the program's student learning outcomes. Insert additional rows as needed.

Technical Skills and KSAs	Student Learning Outcome (s)

21. The American Association of Colleges & Universities identifies a list of high impact educational teaching and learning practices (HIPs) listed below (see https://www.aacu.org/trending-topics/high-impact). Briefly describe how the program will utilize those HIPs that are applicable, including whether it is optional or required.

AACU HIPs	
First Year Experience	
Undergraduate Research	
Common Intellectual Experiences	
Diversity/Global Learning	
Learning Communities	
ePortfolios	
Writing Intensive Courses	
Service-Learning, Community-based Learning	
Collaborative Assignments & Projects	
Internships	
Capstone Courses and Projects	

- 22. Attach a map of the curriculum by semester for a full-time student enrolled in at least 15 units per semester. This may be structured like a program of study in the general catalog or on a curriculum guide.
  - Include course prefixes, numbers, titles, and credit hour requirements. Identify courses that meet general education requirements.
  - Include alternate tracks and requirements by concentration if applicable. Identify courses that are applicable to the alternative tracks.
  - List all major course requirements. Indicate the word "new" beside new courses.
  - Indicate work-based learning experiences (such as internships, clinicals etc.) if applicable.

	Provide a summary of how the curriculum meets	s the learning outcome goals described in questions 18-21.
23.	Check all proposed program modes of delivery that a [ ] On campus (<50% online) [ ] Hybrid (51-99% online) [ ] 100% online	apply:
24.	Describe how students will have the opportunity to (see <u>Board of Regents Policy AA 2.23</u> )	receive credit for prior learning in the program's curriculum
25.	Describe how Open Education Resources (OER) have materials. Identify other measures the institution wi	
26.		for admission to the program? This may include pre- tive admission criteria or eligibility, or work experience
27.	Identify the partners you are working with to create all that apply.  [ ] High school CTAE  [ ] High school STEM  [ ] Career academies  [ ] 2-year college  [ ] 4-year college/university  List specific partners for each category checked above	an educational and career pipeline for this program. 	scuss the marketing and recruitment plan for the program. Include how the program will be marketed to adularie Berners and underrepresented and special populations of students.
RESOL	JRCES .
F1. Fin	
36. At	tach the completed Regents budget template
со	ow has student affordability been considered in the design of the program? Are there any additional financial sts that students will have to take on as part of this program? (e.g. special fees, software licenses, equipment avel, etc.) If so, what strategies have you adopted to offset the cost burden?
su	ow will the institution cover increased indirect costs associated with the proposed program? Consider costs ch as student advising, student support services, tutoring, career services, additional library materials, and placing or upgrading technology or other infrastructure.
	existing funds are being reallocated, describe the impact on existing programs and the plan to mitigate these pacts.
<b>F2. Ins</b> 40. Fa	struction and Student Support
a.	Describe the needs for new/additional faculty for the program including program leadership? Identify any anticipated challenges in hiring adequate faculty, for the program.
b.	How will current faculty be re-directed to this program from existing programs?
C.	Attach your SACSCOC Faculty Roster for the proposed program. (Please indicate anticipated positions that will need to be filled in the future)
