Re: Fringe Benefit Rates applied to Sponsored Projects during FY 01-02

Fringe Benefits Rates have been established for the next fiscal year pursuant to the requirements of Office of Management and Budget Circular A-21, "Cost Principles for Educational Institutions."

The rates effective for the period July 1, 2001 through June 30, 2002 are:

Louisiana State University and A&M College including Pennington Biomedical Research Center

Regular Employees	22.0%
Contingent Labor/Transients (object code 1220/1250)	7.65%
Non Student Employees with "F" or "J" Visa* (object code 1100)	Ø%
Employee Subject Fees (object code 1020)	Ø%

Louisiana State University Agricultural Center

Non-Federal Employees	22.5%
Federal Employees	17.0%
Contingent Labor/Transients (object code 1220/1250)	7.65%
Non Student Employees with "F" or "J" Visa (object code 1100)	Ø%
Employee Subject Fees (object code 1020)	Ø%

These rates are effective immediately for all proposals. The new rate for LSU regular employees is less than last year's rate (22.5%); consequently, a portion of fringe benefits budgeted in ongoing projects will be available for rebudgeting when the new rate is applied effective July 1, 2001. You will also note that the new rate for LSUAC Federal Employees is greater than last year's rate (16.0%). The old rate will continue to be applied to existing projects. However, the new rate (17.0%) should be included in all request for new funding. If clarification or additional information is necessary, please contact Jim Bates, LSU (578-3386); Mark Legendre, LSUAC (578-4637); or Ralph Underwood, PBRC (763-2515).

Jerry J. Baudin
Vice Chancellor for Finance
and Administrative Services

* Excluding PBRC (rate is 22.0%)
