Re: Fringe Benefit Rates Applied to Sponsored Agreements during FY 2017-2018

Fringe benefit rates have been established for FY 2017-2018 pursuant to the requirements of 2 CFR Part 200 - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. The rates effective for July 1, 2017 through June 30, 2018 are as follows:

Louisiana State University, including Pennington Biomedical Research Center	
Employees	44.00%
Graduate assistants – Tuition Remission	35.00%
Contingent/WAE labor (spend category SC6018/SC6021)	7.65%
PBRC non-student employees with "F" or "J" visa (spend category SC6009)	44.00%
LSU Agricultural Center	
Employees	48.00%
Graduate assistants – Tuition Remission	35.00%
Federal employees	33.00%
Contingent/WAE labor (spend category SC6018/SC6021)	7.65%

LSU rates indicated above for employees and contingent labor apply to both new and existing sponsored agreements – including gifts and expired fixed price agreements. The tuition remission rate applies to new sponsored agreements and all gifts and expired fixed price agreements.

Effective immediately, these rates apply to new proposals and requests for new, supplemental funding to existing awards. The policies for Ag Center and PBRC may differ.
