Comparison of Proposal & Award & Expenditure Data for past 3 years

Comparison of Proposal Data for past 3 years

Comparison of Award Data for past 3 years

Comparison of Expenditure Data for past 3 years

Report Footnotes: Proposal and award numbers are based off of project credit at time the report is generated.
Expenditure numbers are based off of the cost center charged at time the report is generated.

Comparison of Invention & Patent & Revenue for past 3 years

Comparison of Invention Disclosures

Comparison of Total U.S. Patent Applications

Comparison of Total US Patents Issued

Comparison of Total Revenue for Licensing of Intellectual Property

Report Footnotes: The monthly Combined Proposal and Award Activity report for previous years incorrectly reported invention disclosure and revenue metrics for FY25. This report and future reports include the revised totals.
