## **VII. New/Future Business**

- a. OIE/OAA Suggested Due Date Change – Change due date from 12/31 to earlier in December. Exact date not decided on at this meeting. Proposed suggestions were 12/1, 12/15, or on the day after final grades are due.
- b. Clarification of Requirement Language – Jason will draft and circulate language to clarify. There is confusion because the language around the required percentage for the assessment instrument does not match what is in the course proposal form.
- c. Updates to Renewal Rubric and Renewal Instructions – Discussed including how the course meets the 20 – 20 rule (provided on the original course proposal) so that we don't need to see the original proposal in order to approve the renewal.
- d. Call for Additional Business – Concerns about not seeing the assessment instrument were raised. Some members want a requirement to submit the assessment instrument as part of the proposal.
